Ofsted Outcome

Dear Parents and Carers,

I am pleased to send you our new Ofsted report from July 2024.

We are extremely pleased with our Ofsted report and we believe this shows how hard we all work to ensure that our children can achieve the very best they can. During the inspection, it was highlighted how exceptionally well our children achieve, in not only English and maths but in their own personal development. We are pleased that our internal assessments and judgments were confirmed that our next steps were to develop the recording in foundation subjects.

Moving forward, we have our new target of:

'In some subjects, the way pupils complete their work makes it hard for them to review and build on prior knowledge. This also complicates assessment for staff and leaders, affecting the quality of pupils' work. The school should review curriculum planning and organisation to ensure that all subjects enable pupils to produce high-quality work that builds on their previous learning.'

To give clarity, our new target focuses on how the children complete their work during lessons. Over the coming terms, both subject leads and senior leaders will be exploring how we might record learning creatively.

We are pleased that St. Peters has maintained its, 'Good grade and that we were so very close to obtaining the judgement of Outstanding.

If you have any questions or you would like to discuss the report, please contact the school office.

Yours Sincerely,

Mr M Conley
Headteacher
