

Key stage 2 comparative report

This information allows you to compare your child's performance at the end of key stage 2 with the attainment of other year 6 pupils in our school this year, and across England in 2023*. Subject	Percentage of pupils achieving at least the expected standard: school (2023)	Percentage of pupils achieving at least the expected standard: nationally (2023) ¹	Average scaled score: school (2023) ²	Average scaled score: nationally (2023) ³
English reading expected	84%	73%	107.74	105
English reading greater depth	Greater Depth: 52% We are currently appealing two children so that we could receive 58%			
English grammar, punctuation and spelling expected	77%	72%	108.90	105
English grammar, punctuation and spelling greater depth	Greater Depth: 52%			
Mathematics expected	84% We are appealing 1 child in maths.	73%	107.13	104
Mathematics expected	Greater Depth: 41%			
English writing (teacher assessment) expected:	84%	71%	N/A	N/A
English writing (teacher assessment) greater depth:	Greater depth: 32%			
Combined (reading, writing and maths) expected: 74%			Combined greater depth: 22%	
Science (teacher assessment)	87%	80%	N/A	N/A

* Please note, national data is provisional 2023 data.

From the results above, you will see we have clearly exceeded national expectations by some way. We do not have our progress indicators yet but this will also be significant. If we are successful in our marking reviews, our data will be even more successful.

Please join me in celebrating our children, staff and parents on their hard work this year.
