

HOUSE

a competition!

Over the Spring holidays, please try to create a spring-themed art piece to be judged, scored, and then added up with the ratings of the crafts from other people in your house, to see who will win the house cup, and the most house points.

The (very few) Rules:

must be Spring/Easter themed

must be finished by the end of the Spring holidays (and brought in, it can be anything, so long as it is a piece of art (poster, sketch, diorama, sculpture, painting, etc))

you don't have to do it, but please!
