Our School vision: One Family, Aiming High, Learning Together with God

Thursday 11th June 2026,

Dear Parents and Carers in F1 (nursery) to Year 6,

I am writing to update you on our recent community consultation regarding a potential change to our school uniform offer.

As part of our ongoing commitment to listening to our school community, we sought views on introducing an activewear-style uniform for all pupils. The proposal was intended to make it easier for children to participate in physical activity throughout the school day, increase comfort, and help reduce costs for families.

We would like to thank everyone who took the time to share their views. The consultation generated a high level of engagement and valuable feedback. Overall, responses were broadly split between those who supported the proposal and those who preferred to retain a more traditional uniform. While many parents highlighted the potential benefits of the change, we felt that the level of support was not sufficiently strong to justify moving forward with such a significant adjustment.

As a result, we will not be adopting a full activewear uniform from September 2026.

However, from September 2026, we will be making some modifications to our existing uniform expectations. We have carefully considered the feedback received, particularly around the importance of maintaining choice, professionalism, and a sense of formality, while also recognising the need for practicality and comfort for our pupils.

Please see the link below to our updated guidance and a link to our uniform supplier. **Please ensure that you use the uniform guide on our school website when purchasing as there are still items listed that do not meet our uniform criteria.** The uniform changes will be optional for the academic year 2026 to 2027 and then mandatory from September 2027. This will enable families to use their current uniform for the upcoming year.
