Our School vision: One Family, Aiming High, Learning Together with God

Friday 19th June 2026,

Dear Parents and Carers,

With the hot weather forecast for next week, we want to ensure all of our pupils remain as safe, cool, and comfortable as possible while they learn.

To help them stay comfortable in the classrooms, all children are welcome to attend school in their PE kits next week.

We kindly ask that children come to school each day with:

- Sun Cream: Please apply sun cream to your child before they come to school in the morning.
- Water Bottles: Please send your child with a reusable, named water bottle. We will have regular opportunities throughout the day for them to refill these with chilled water.
- Sun Hats: A cap or sun hat. Please note if a child does not have a sun hat they may not be permitted to be outside or kept to the shaded areas.

We will be monitoring the temperatures closely throughout the week, limiting strenuous outdoor activity during the hottest parts of the day, and making full use of shaded areas during breaks.

Kind regards,

Miss K O'Connor
