Our School vision: One Family, Aiming High, Learning Together with God

Friday 4th September 2026

Good morning everyone at St Peter's,

We hope you've all had a lovely summer break and are settling back into the new school year. We wanted to take this opportunity to introduce (or remind you about) your local Community Centre and share a little about what we have going on for the local community.

We are a local charity, run to support and bring people together within our surrounding community, and we would love to welcome more of you through our doors.

What's happening at the Centre?

Wednesdays are our Community Sessions Day, with our Community Café, afternoon tea and Job Club. These run from 9am until 2pm. Please follow our social media pages for more information and upcoming activities.

Monday to Friday we have Royal Voluntary Service lunches for those aged 55 and over.

Thursdays we have our Social Supermarket, offering low-cost food. Referrals can be made through the Centre office.

Monday to Sunday we have a social bar available with a lovely child friendly play area/garden and hold many events. Please pop in to the bar to join up as a member.

Throughout the week, our halls are also busy with a variety of fitness, wellbeing and children's sessions, running and a social bar from 9am through to the late evening.

A little request regarding parking

We really appreciate your support with our Centre car park. As we hire our halls throughout the week, the spaces are needed by our private hirers and their clients, often with bookings running back-to-back.

We kindly ask all school parents to move their cars from the Community Centre car park by 8:50am school drop off and by 3:30pm school pick up.

We also ask that the Centre car park is not used for school events. We completely understand that if you arrive and see an empty car park, it may look as though the spaces are available. However, there may be a class or booking arriving shortly afterwards, and those spaces are often reserved for our hirers.

As we are a charity and not run by the council, the income we receive from hiring our halls is essential in helping us keep the Centre open and continue providing services and activities for our community.

We really do want to work alongside the school and support local families, which is why we are asking for your understanding and cooperation. Our committee has discussed introducing parking restrictions, including a parking meter and fines, if the issues experienced last school year continue. We would much rather avoid this and find a way that works happily for everyone.

Most importantly, you are very welcome at your Community Centre!

We would love to see more school parents getting involved, whether that's popping in for a coffee, joining one of our activities, finding out about our community services, or simply coming along to say hello.

Thank you so much for your understanding and for helping us keep the Centre available for everyone in our community.

We look forward to welcoming you soon!

Kind Regards

Marie and The Centre Committee
