Our School vision: One Family, Aiming High, Learning Together with God

Thursday 10th September 2026,

Dear Parents and Carers,

Please find attached a letter from Hertfordshire Council's Director of Education Services outlining the start of a 4-week consultation regarding future SEND provision in Hertfordshire.

The letter proposes the opening of a Specialist Resource Provision (SRP) at St Peter's, supporting up to 10 children. The letter sets out what an SRP is, the benefit to the wider SEND community and what this means for our staff and pupils. School leaders and The Diocese of St Alban's have been in active consultation with Hertfordshire County Council regarding this provision and how it could work.

We will be discussing this with our Governors at our next meeting on 15 September and I would encourage you all to read and respond to the consultation questions.

Consultation ends on 8 October and a final decision will be made by Hertfordshire Council on 4 November, with the view to open the SRP by the start of September 2027, if the proposal is accepted. As of today, no decisions have been made.

Whilst the consultation is being run by Hertfordshire Council, I am happy to answer any questions that you may have.

Kind regards,

Mr Conley
Headteacher
