Our School vision: One Family, Aiming High, Learning Together with God

Dear Parents and Carers,

I hope this message finds you well. I am writing to share some important information about the Reception Baseline Assessments (RBA) that will be taking place over the next few weeks as your child begins their exciting journey at St Peter's.

The RBA is a short and friendly assessment that helps us understand your child's starting point in key areas such as communication, language, literacy, and mathematics. This insight allows us to tailor our support and ensure every child has the best possible start to their learning.

Once the assessments are completed, the information gathered will be shared with the Department for Education (DfE). This helps to shape educational initiatives aimed at improving outcomes for all pupils. We have designed the assessment to be engaging and enjoyable, so your child can feel comfortable and confident while showing what they can do.

For your convenience, I have attached a leaflet from the DfE with more details about the process. If you have any questions or would like to discuss the assessments further, please feel free to contact the Early Years team.

We are here to support you and your child every step of the way.

Yours sincerely,

Mrs Harvey
