COFFEE VAN MORNING

Friday 6th November

Straight after drop off for as long as you can stay

Come along for a hot drink and a chance to connect with our school community

Grab and go also available

A note from Mr Conley

Headteacher

"Our PTA is a core part of our school family and without their hard work and time we would not be able to offer as many as the lovely things we do. We hope to see you there with a coffee in hand ready to learn about our wonderful PTA."

A note from Lorraine Dodd

Vice Chair Governor

"As a mum and a Governor, I'd love to see you there. It's a great chance to have a coffee, catch up and connect as a school community, while showing some support for our amazing PTA team who put so much time and effort into creating events for our children and families.''

A little about our PTA

Did you know?

Our PTA recently helped fund **air conditioning throughout the school.**

How can you help?

There are lots of ways to support the PTA, **on the day, behind the scenes or simply by sharing an idea.**

Helping with one event doesn't mean committing to them all.

Whatever you can offer helps bring events to life and create great experiences for our children, families and the St Peter's community.
